## Series overview

LOVE

**Feb 4** Jesus is famous. He's also the head of one of the world's 3 great religions but is it right to claim that Jesus actually "is" love? Do Jesus's life and teaching back up such a title?

THE SON OF GOD

**Feb 11** Was Jesus more than just another prophet or religious fanatic? What evidence did He give to back it up? Do we have a picture of sanity and wisdom to go with this grand title for Jesus?

IRRELEVANT

**Feb 18** 2000 years ago a man walked in dusty Palestine teaching for only 3 years. There are amazing stories of His life but what has that to do with us? Does Jesus have any relevance to Oran Park in 2018?

A FAIRYTALE

**Feb 25** Did Jesus really exist? How could we know, and why should we believe that this man is more than a fairytale? Join us to examine the evidence and consider for yourself.

A CRUTCH

**Mar 4** Let's say that Jesus existed, even then isn't it really only the old and the weak that have need for such a figure in their lives? If family are happy and healthy then who needs a crutch like Jesus?

NEGLECTFUL

**Mar 11** This world isn't in good shape. If you look at the news it gets pretty bad out there. If Jesus is so powerful then why isn't everything better? Isn't it right to say that Jesus is pretty neglectful?

A GOOD TEACHER

**Mar 18** "Love your neighbour." "Blessed are the poor." "Love your enemies." It's pretty clear that Jesus taught some memorable and timeless ideas and that makes Him a great teacher, but that's all - right? He didn't claim more did He?

GOOD "FOR YOU"

ONE RELIGION AMONG MANY

**Mar 25** "I'm totally OK with you believing in Jesus - but don't bother me with it." That's reasonable, and there are so many other religions - isn't it just arrogant to claim Jesus has a special place in such company?

A FRIEND TO SINNERS

**Mar 30** Jesus's life and work were to bring us the hard news that we're not right with God. Easter tells us that Jesus did more than bring us bad news - He died to make us right with God. Friend indeed.

EASTER

ALIVE

**Apr 1** Christians make an incredible claim - that after His crucifixion three days later His friends found His tomb empty. Was it true? What does it mean for us? Join us for Easter Sunday to find out.

MY MUM'S THING

**Apr 8** Whatever Jesus might be perhaps He's really most relevant to the 'religious' person in your house? Jesus said He was coming back - who needs to be ready?
